

INTERNATIONAL SOCIETY FOR ENGINEERS AND RESEARCHERS
International Conference on
Nanoscience, Nanotechnology & Advanced Materials

Certificate

This is to certify that Ivania Markova has presented a paper entitled "Dependence of The Electrochemical Behavior of Intermetallic (Co-Sn) Nanoparticles and Their Carbon Nanocomposites on The Elemental Composition" at the International Conference on Nanoscience, Nanotechnology & Advanced Materials (IC2NAM) held in Cannes, France

on 13th -14th March, 2019.
